

Students with Disabilities

Students with Disabilities

The American with Disabilities Act (ADA) extends federal civil rights protection in several areas to people who are considered “disabled”. As required by law, the College will make every reasonable effort to provide accommodations to students who require such assistance. To be considered “disabled” under ADA, individuals must have a condition that impairs a major life activity. Students with disabilities should contact the Office of Academic Affairs/ADA Coordinator for arrangement of the required special services or needs.
